ABOUT US

MGHS SERVICES, is an all-inclusive destination for entrepreneurs and small and medium businesses, offering unique solutions and presenting new opportunities for your business to grow in a rapidly growing market in the Philippines.

MGHS SERVICES

A Modernize Solution Partner

Who we are?

MGHS help clients to conceptualize and plan their business. We generate feasibility studies, marketing planning, facilitates registration and licensing with concerned government agencies, perform management consulting, and coaching.

We specialize in facilitating the establishment of personal investment (i.e., mutual funds, retirement funds, etc.) and provide advice with the transfer of technology to the same.

Ours is advocacy. We have something that we do very well (that is, personal finance training); we love to do it, and what we do is what the world needs, especially for OFWs and their family.

COMPANY CULTURE

Our company's culture is diverse and culturally-inclusive as our workforce are compose with group of individuals coming from different cultures but we share the same core values.

COMPANY VISION

MGHS Services is an audacious, culturally-diverse, and synergistic solutions and services company committed to empower different talent communities into unlocking their full potential in order to support collaborative partnerships by giving the highest quality of solutions and services.

COMPANY MISSION

We, the MGHS Services, commit ourselves to:

- Maintain the integrity of the company through the promotion of excellence in deliverables, research, and community service.
- The development of interns who are morally upright, professionals, and with the competence to lead a fulfilling professional or freelancing career.
- Be responsive to the challenging needs of Filipino society by becoming globally competent and professional.
